Summer Program 2011

HARMONY
MONTESSORI

June 27 through August 12

Create!

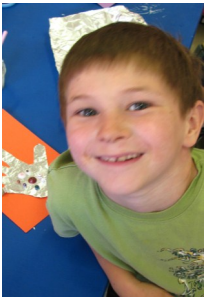

Investigate!

Explore!

Create, Investigate, Explore!

The Harmony Summer Program is filled with art, song, scientific investigation and outdoor exploration.

Our Montessori philosophy permeates the program with a tranquil atmosphere, which reflects the peaceful days of summer.

The Theme for this year is **“Create, Investigate, Explore!”**

Create will focus on following the elements of art and the specific processes. The Investigate portion of our program will explore the specific elements of physical science; air, water and liquids, light and magnets and electricity.

Field trips out to beautiful places in nature such as Wildwood Recreation Area, The Audubon Society and a waterfall area in the Columbia Gorge will compose the exploration part of our program. We will divide the children into smaller groups for these trips, with younger children going only if their parents join us. More than half of the children stay at school each time, so it works out well for everyone. Some parent participation as drivers and chaperones is encouraged.

This year we will have two classrooms open. The River Room for the younger children 2.5 through 5 years of age, under the guidance

of Kristin, Kelly and Beth with Besty helping out towards the middle and end of the summer. This class will have an outdoor work area with tables, shelves and various changing activities geared specifically for the children’s house child.

The Ocean room will be for recent Harmony graduates and alumni students under the guidance of Heaven and Victoria. This environment will be designed for the older child with an outdoor environment and a planned sequence of activities which will help them combine their scientific observations with their artistic endeavors.

Schedule and Enrollment details

Open 5 days a week, with usual daily class hours from 9:00 am—3:00 pm, doors opening at 8:00 am, and after-care ending at 5:00 pm. Enrollment can be for the full 7 weeks, or for a minimum of two weeks at a time.

Tuition rates are set at the 3, 4, 6 and 8 hour levels, for four or five days a week.

First priority for filling our summer classrooms goes to children who are signed up for the full seven weeks; then to children who are enrolled for more rather

than less weeks; and finally to children who come for two weeks only. Deadline for enrollment is May 16th, after which enrollment confirmations for the shorter schedules will be finalized.

Extra Hours

Will be billed at \$6.00 an hour

Additional Drop-in Days are available on a space available basis and are billed at \$8.00 an hour

Summer Tuition is due by June 27th. If enrolling for the full 7 weeks, tuition can be divided into two payments.

If enrolling for just later weeks, tuition can be paid when your child starts.

Summer enrollments and schedules will be confirmed in May.
